

ANGAMA SAFARIS

Kenyan Visa

Background

From the 1st of September 2015, it is compulsory for travellers requiring a visa for travel to Kenya to obtain one through the new [online portal \(evisa.go.ke\)](http://evisa.go.ke).

Although the application can take up to seven working days to process and have typically been completed within 48 hours, travellers are advised to register well in advance of travel in order to avoid any unforeseen circumstances.

Please note that currently the portal only services Single Entry & Transit visas, and that for Multiple entry & East African visas for travel onwards to Rwanda & Uganda, visitors are still required to visit the Kenyan consulate in their home country, or acquire them at port of entry.

Before starting, make sure you're prepared. You will need:

- A digital passport photo of maximum size 500px x 500px
- A scanned copy or photo of the page in your passport with your photo, name and biographical data
- A Visa or MasterCard credit card for payment
- A copy of your itinerary or booking information
- Address and phone number in Kenya – please use:
 - Angama Mara, Maasai Mara, Narok County, Kenya
 - Tel 020 660 6001 or 0724 154 015

Single entry visas are valid for three months from issue, and cost US\$ 51.

If you have any questions or require any assistance, please contact your Angama Safaris team member, or our Nairobi or Johannesburg office on +254 20 660 6000 or +27 10 020 0699 respectively.
