

ANGAMA MARA

Perched on the edge the Great Rift Valley, Angama Mara overlooks the lovely Mara Triangle.

The lodge is divided into two adjacent camps of just 15 tented suites each. The tents are all identical, each with wonderful views of the Mara below. Each camp has its own Guest Area and team of hospitality staff.

Between the two camps, and within easy walking distance of all the tents, is the Pavilion. Here, guests may enjoy the use of the swimming pool, the Fitness Room, the Safari Shop and the Maasai Beading Studio.

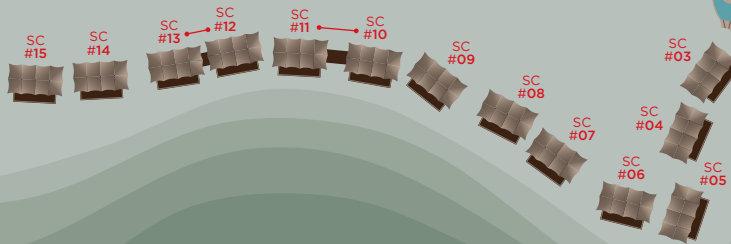

Driving time from the Angama Airfield to the lodge is five minutes but many guests prefer to walk to camp - just a 15 minute stroll.

Access from the lodge to the Reserve is a 20 minute drive directly down into all the game viewing action.
